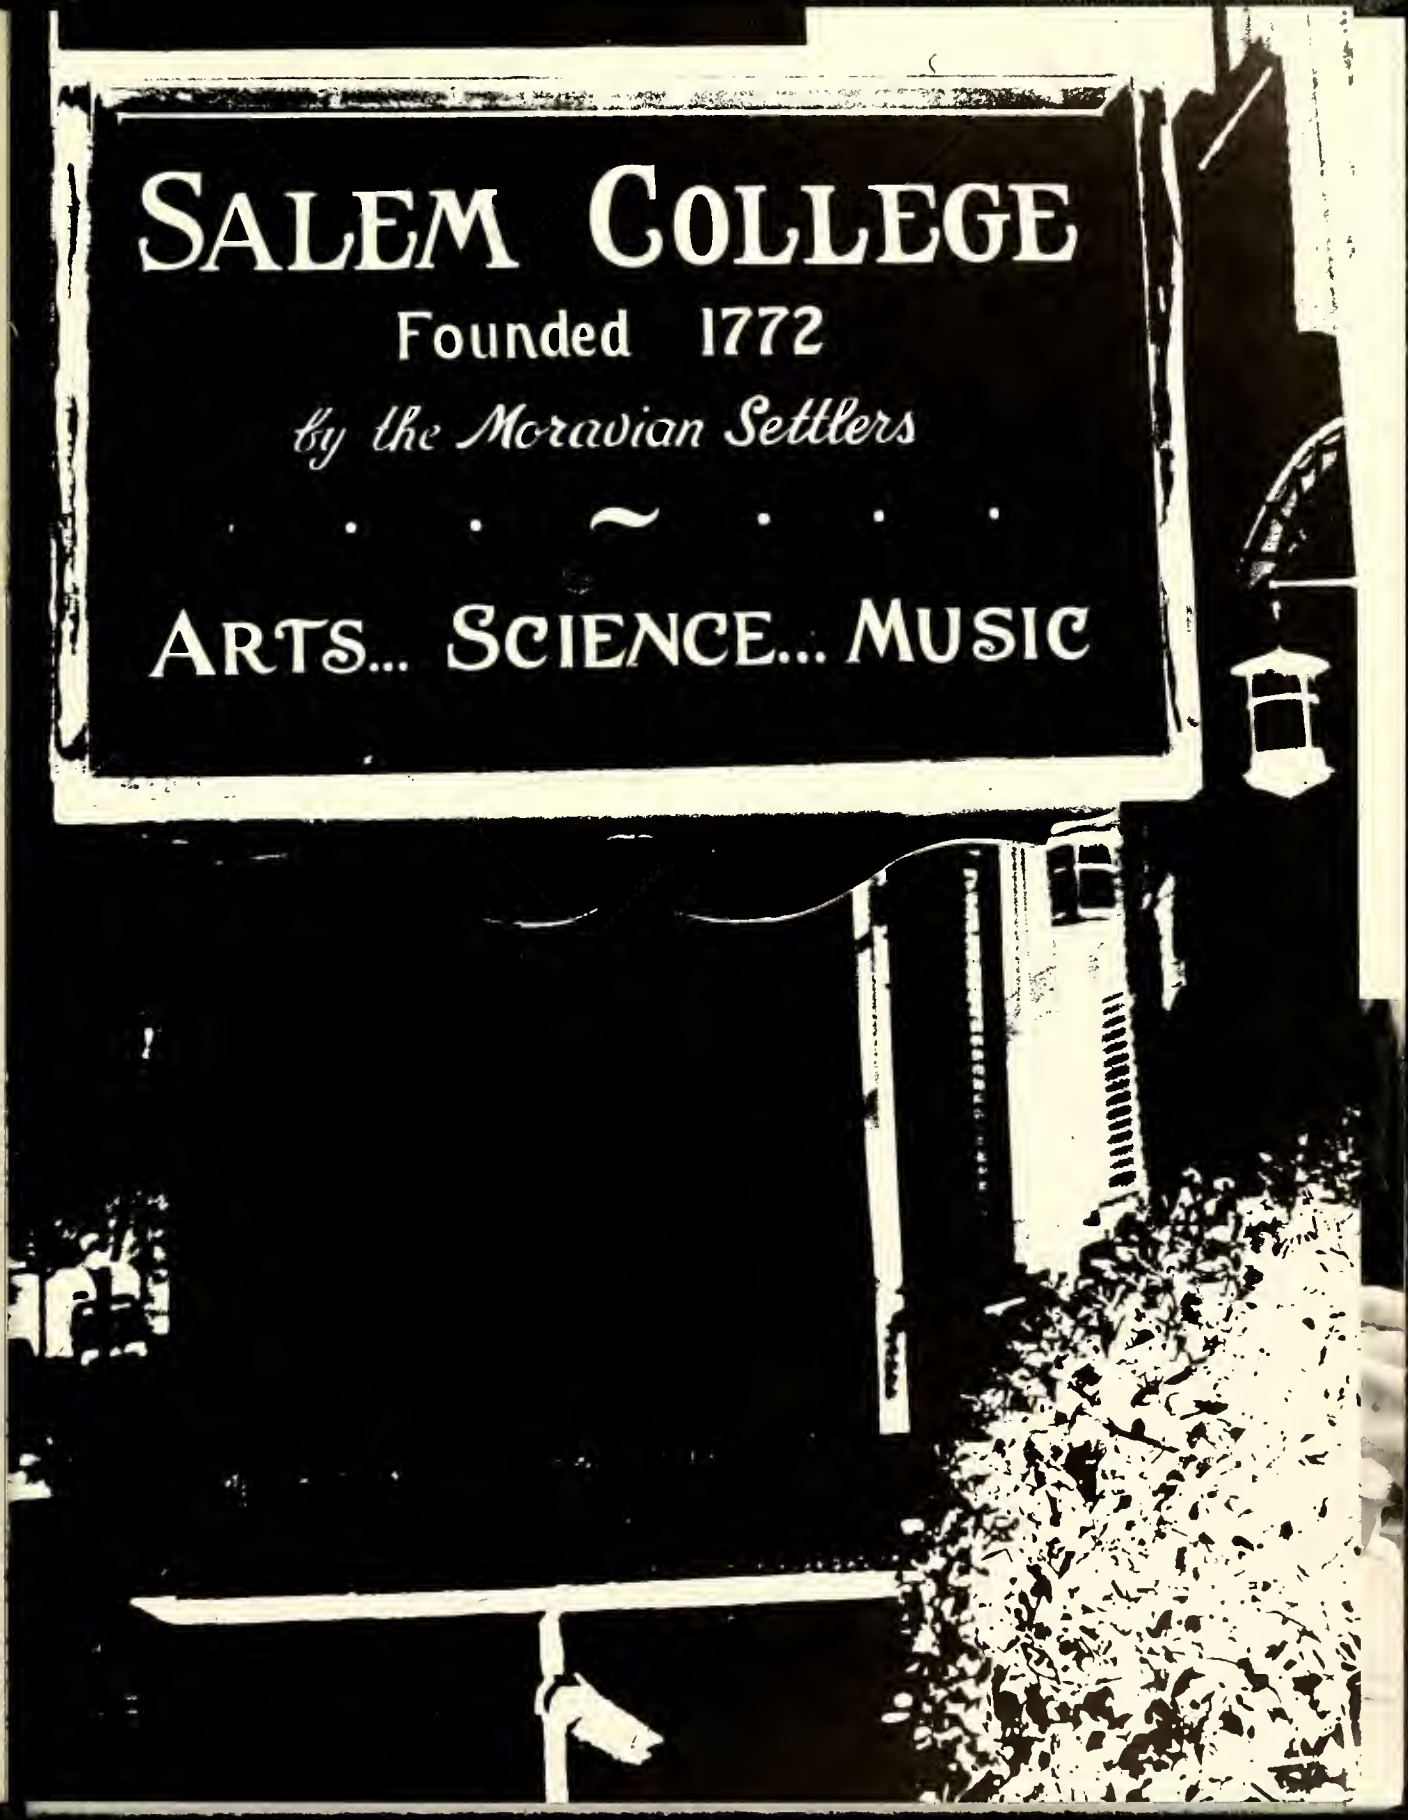
Founded 1772

by the Moravian Settlers

ARTS... SCIENCE... MUSIC



She is understanding and patient, kind and gentle. She always has time to listen to problems and to help find solutions. She has a genuine interest in all people.

She likes to see students dress up. She entertains countless dates while they wait for that certain young miss to get ready. She's a mother to numerous students each year. She loves Salem and adores "her girls."

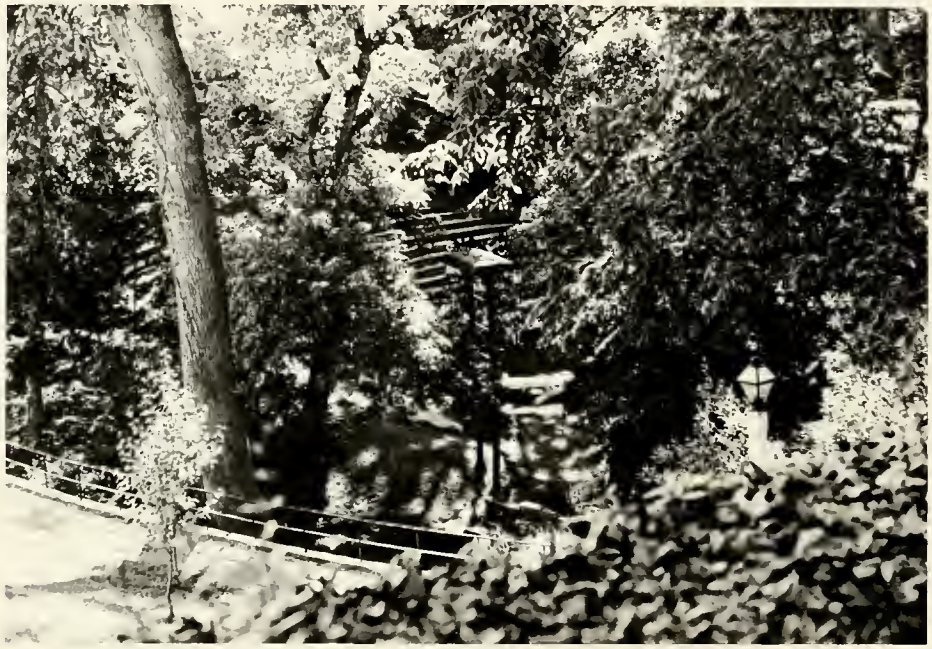
It is with sincerest appreciation of her love that the **Sights and Insights** staff and the Senior Class dedicate the 1975 **Sights and Insights** to

Margaret Kase Foster

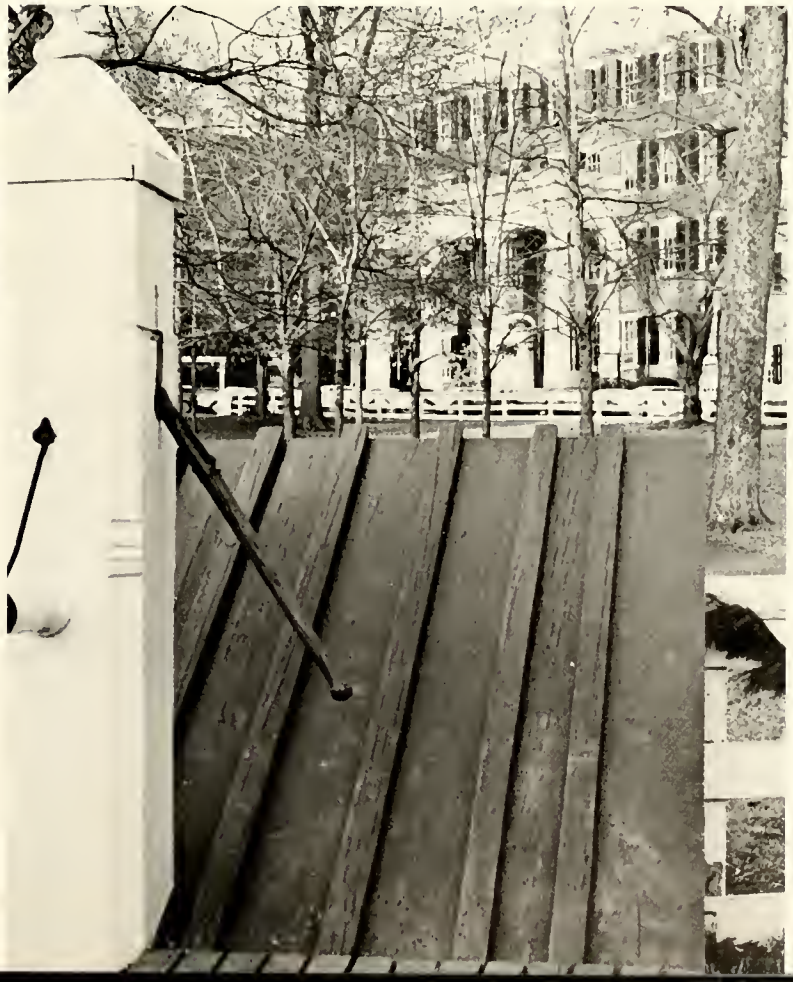
We begin unsure, fearful

Afraid of losing past treasures

Facing endless dreams
Seeking new belongings



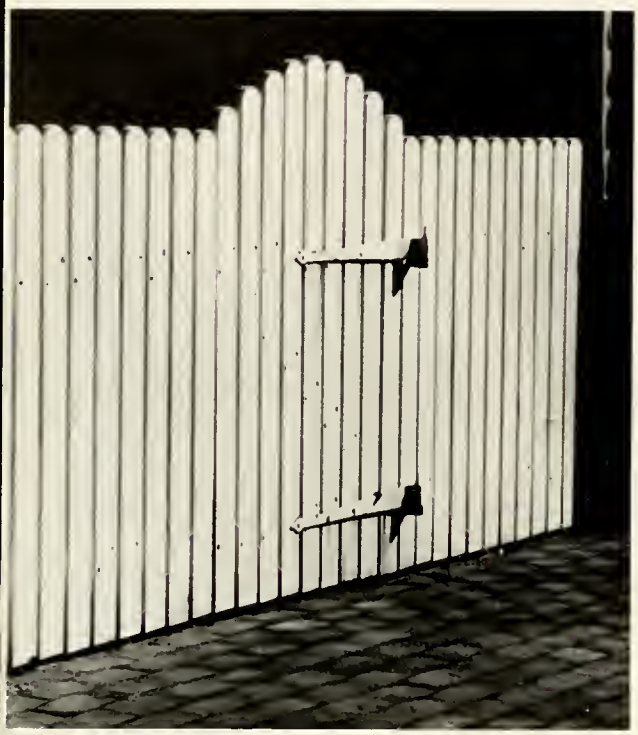
Hoping to fulfill ambitions



Groping, Crying, Enduring, Growing, Caring, Living

. . . Achieving

Leaving,



we lose a part of ourselves

Forever capsulated in tradition.

2800.
